September 7, 2017

Dear 7th Grade Parents and Guardians,

What an enjoyable and exciting start of school! We experienced a very smooth opening. Our students, teachers and building are already in top form. I spent the majority of the first few days visiting classrooms and welcoming everyone to a new school year. Needless to say, I am continually impressed with the entire student body of Park Ridge Junior/Senior High School.

This year, we will be hosting Back to School Night for the 7th and 8th grades on Tuesday, September 19th. The agenda will begin with all 7th grade parents reporting to their child's first period class at 7:00 pm. It is important to arrive on time for period 1/2 in order to obtain a copy of your son or daughter's schedule. Please check 'Power School' or ask your child for the location of their first period.

Back to School Night is a great opportunity to meet your son or daughter's teachers who will outline their program of study and learning ideals for the school year. They will also provide a course syllabus, classroom rules and expectations, grading policies and extra help procedures. Please keep in mind that teachers are not able to discuss individual progress during Back to School Night. If there are specific questions regarding your child's performance, you may contact teachers through email, voicemail or arrange for an appointment through the Guidance Office. This evening is very enlightening, informative and quite beneficial, especially for parents who have children entering our school for the first time.

The PRHS staff is excited to welcome you into the building and discuss with you the many wonderful learning opportunities that will be offered to your sons and daughters this school year.

Sincerely,

Troy Lederman
Principal
